

# North East International Networking Club

UK Trade & Investment has launched a new regional  
**International Networking Club.**

“Run by the  
members, for  
the members”

## THE CLUB IS AN IDEAL OPPORTUNITY FOR ITS MEMBERS TO:

**Keep abreast of the extensive support that exists for exporters  
and new international opportunities and new  
initiatives as they are launched**

“Stay Ahead  
of the Game”

“Have Your  
Say”

**An opportunity for informal 'mentoring' as new  
members can talk to more experienced exporters**

**An opportunity for existing UK Trade & Investment  
clients to engage with us on a regular basis**

Meetings will be of a relatively informal nature and held on a quarterly basis throughout the North East region. Guest speakers will be invited to discuss topics of interest to the members, these may include: Paying & Shipping Terms; Letters of Credit; Import & Export Legislation/Quotas; Customs & Excise; Country Focused Topics; plus many more...

Borne of the belief that exporters can benefit from sharing best practice, the International Networking Club is an ideal forum for its members to learn from other members' overseas trading experiences from a practical perspective.

The International Networking Club is run by the  
members, for the members.
