

# Go, Export and Survive

## – The BRIC markets await you

You are invited to attend the Brazilian overseas market briefing led by Chris Wall, UKTI business specialist.

This Brazilian overseas market briefing will give details of business and supply chain opportunities, provide case studies, and discuss significant infrastructure investments and other major projects.

Don't miss the opportunity to meet the UKTI business specialist face-to-face, and ask your questions about the Brazilian market, helping to raise your level of awareness on trade opportunities and how to exploit them. A case study will also be presented by Paul McCairn, Managing Director of Brimac Engineering Ltd. The case study will provide practical advice and guidance in approaching the Brazilian market.

Spaces at this informative event will be available on a first-come, first-served basis.

**Cost: £35 + VAT (MTA members) and £45 + VAT (Non-members)**

**Click here** to register NOW!

For further information and registration please contact **Christel Moustacas** at the MTA via email, [cmoustacas@mta.org.uk](mailto:cmoustacas@mta.org.uk) or by phone, 020 7298 6416.
