

Enhancing International Trade

European Regional Development Fund Product Portfolio

In today's complex marketplace, international business decisions need to be based on trusted experts and sources. UK Trade & Investment's extensive global network gives you that assurance and offers you a wide range of support.

Passport to Export

This structured yet flexible programme is tailored to help small or medium-sized businesses in the North East to start exporting for the first time. It offers support and advice to help prepare new exporters for trading successfully in overseas markets, with access to a unique overseas network of contacts, market research, planning, business opportunities and matched funding for eligible activities.

Gateway to Global Growth

A comprehensive package of tailored support and exclusive offers, assisting ambitious businesses with between 2 and 10 years export experience find further export opportunities. Aimed to help companies achieve significant growth in export markets, this 12 month programme will provide a variety of services to assist you in your market preparation and market penetration. Matched funding is available for eligible activities.

Virtual Export Manager

The ultimate in hands-on business support. This service places a seasoned export professional with companies, offering a real resource to your team to help deliver your export strategy. We will match your objectives and targets with an experienced export professional, who has a proven track record in international trade. The Virtual Export Manager will work as part of your company, to draw up and implement an exporting strategy.

If you are considering overseas opportunities, you need innovative, professional and customer-focused support. No other organisation is better equipped to support globally minded companies, both big and small, saving you valuable time and money in the process.

Let us help you be the best.

Overseas Market Introduction Service (OMIS) Travel Support

After using UKTI's global network and OMIS, OMIS Travel Support then provides match funding based on the individual level and can be used for travel and accommodation to follow up the specific OMIS work. Research your market and follow up with a visit.

Overseas Exhibition Support

An exhibition service to support companies wishing to exhibit at an overseas trade fair or exhibition. Overseas Exhibition Support offers match funding to assist with exhibition costs.

Export Communications Review Plus

First engage with UKTI's Export Communications Review Service. Export Communications Review Service Plus then provides matched funding to support eligible activity from recommendations made within the Export Communications Review Service report for internationalisation, translation and localisation of relevant communications materials including web design.

North East Market Visit Support

Once you have signed up for a UKTI Market Visit, The North East Market Visit Support will provide the same level of individual financial assistance for a second and a third delegate, as offered to the first delegate.

New Market Access Support

A tightly focussed programme to assist companies to identify their routes to new markets. It offers match funding over a specified time period to support a clearly defined international strategic action plan based upon sound, detailed and presentable market research.
